++ Valid for broadcast between 1800 and 0600

Headline:
Brightening up with scattered showers on Tuesday.

This Evening and Tonight:
Any heavy and perhaps thundery showers dying out this evening to leave a mainly dry night. It will be rather cloudy and mild with mist patches towards the north coast, but some clear periods over southern Aberdeenshire. Minimum temperature 12 deg C (54 deg F).

Tuesday:
A cloudy start then bright spells developing during the morning along with scattered showers. Sunny spells and some heavier showers in the afternoon, these dying out during evening. Light winds. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Mostly dry with some sunshine. Patchy light rain will come along on Wednesday night, clearing Thursday morning. Rather cloudy, showery weather moving in on Friday with strong, gusty southwesterly winds.
